Silver Earrings Workshop

Interested in learning how to make earrings?
Always wanted to develop more skills in working with silver?
Are you free to visit this event in Palmerston North?

We would like you to represent TENZ.
We have one place available.

Learn how to make a unique pair of earrings.
You will start by practising some techniques in copper and brass, then move on to silver. Earrings can be studs or drops, and you may even be able to make more than one pair.
This 3-hour class is ideal for beginners, groups of friends and visitors to the city. Advanced students are also welcome!

Information

When: Sunday 19 June
Duration: 9:30-12:30
Where: Square Edge, 47 The Square, Palmerston North
Anyone entering the premises is required to wear a mask.
Numbers: 1 TENZ member
Refreshments:Take your own water bottle
Cost: $115 registration. (TENZ will reimburse you)
Materials: Included in the class fee are copper and brass for practising on, up to 6 grams of sterling silver and all consumables such as sandpaper, solder and chemicals. Extra metals are available for purchase in the studio.
