Guest Speaker: *Ruth Lemon*

Speaker Profile: *Ruth Lemon is primary trained, currently working as lecturer and Programme Leader of Huarahi Māori at Auckland University.*

Focus of presentation: This presentation will provide advice for kaiako working with the NZC on how to incorporate aspects of Hangarau.

What are the 5 aho (contexts) for Hangarau (Māori-medium Technology)?

What about te iho o te Hangarau (the essence of Hangarau statement)?

What are some ways that I can bring Hangarau thinking into my Technology classroom?

What about links between Hangarau thinking and Mana Aotūroa in ECE settings?

If you have specific questions, post them to the padlet at <https://padlet.com/rlem005/TENZHangarau2022> prior to August 20th, and Ruth Lemon will try to address them in her webinar.

Suitable for: *Primary and Secondary*
